TIME CHANGE INSTRUCTIONS: Merlin Magix

How do I change the daylight saving time setting for the new US Change effective March, 2007

The time and date is a system feature rather than an individual telephone feature.

To change the daylight savings time feature in the Magix system, from the System Programming console:

1. Press **Menu**.
2. Press **System Program**.
3. Press **Exit** or **Start**.
4. Press **System**.
5. Press **Time**
6. Press **ADST**
7. Press **Enable**. Press **Enter**.
8. Press **Custom**. Press **Enter**.
9. Press **Northern**. Press **Enter**.
10. Press **Start**.
11. Press **Sunday**. Press **Enter**.
12. Press **Second**. Press **Enter**.
13. Press **March**. Press **Enter**.
14. Press **2:00 AM**. Press **Enter**.
15. Press **End**.
16. Press **Sunday**. Press **Enter**.
17. Press **First**. Press **Enter**.
18. Press **November**. Press **Enter**.
19. Press **2:00 AM**. Press **Enter**.
20. Press **Home** or **Exit**.
